All our gratitude to the 28+ volunteers that did the heavy lifting.

Shot Clinic Re-cap

The clinic was a success for the club. 61 dogs participated with vaccinations, heartworm, and flea/tick preventative. During the Clinic, a Club member commented that next to Lorne Martens, founder of CMRC, no one has given back more financially to the club than Doc Nelson. A sincere thank you for your time and contributions.

Club Grounds

The club grounds are in terrific shape! Fields have been mowed and baled. To date, the water pond treatment has been quite effective! Gravel was delivered and available to maintain the roads. Please take advantage of your membership and utilize these outstanding grounds.

Upcoming AKC Hunt Test – June 18 – 20

All reports note the AKC Hunt Test is ready and up to date for the event. 158 dogs have entered the various stakes. Volunteers from the club have stepped up to limit the use of paid help. Good Luck to all participants!

Re-Cap of Junior Hunter Seminar

Of the thirteen participants in the seminar, 3 have entered events! In addition to 13 new club members, we have had some participants volunteer to work the upcoming Hunt test. Overall, the seminar was a success in terms of new members, introducing dogs and handlers to field work and training, and was a revenue producer for the club. Thanks for those that entered and produced the seminar.

Danny Farmer / Mark Smith Seminar

July 2nd – 3rd are the dates. There is room for observers and handlers. Entry express has it available online to register.

Free Pet Porter Kennels

Club member John Thiem has donated a few used kennels that are available for anyone who wants one. Kennels are sitting in front of the shed and are on a first come-first served basis.
